- 4. On 1º January, the Flak Kaserne was still occupied by 550 troops.
- 5. Up to 14 January, the Infanterie Kaserne was still occurred by the mortar unit. On the morning of 8 January, a convoy of 10 trucks with billeting equipment, banners and towing 5 morters moved out of the installation, heading toward Fotsdamer Landstrasse.

 25X1

 On 13 January, 2 trucks carrying covered guns of undetermined caliber drove toward Hohenstuecken. The mortar unit started moving out of the Infanterie Kaserne on 14 January. Numerous trucks fully occupied by billeting equipment and some of them towing mortars left on 14 January, 18 fully loaded trucks, each towing a mortar, left on 15 January and 37 fully loaded trucks, I mortar, 6 field kitchens, I ambulance, 2 sedans and 12 other trucks loaded with billeting equipment left on 16 January, with all convoys heading toward the Hauptstrasse. It seemed that the two trucks carrying unidentified guns toward Hohenstuecken on 13 January belonged to the troops who would reoccupy the Infanterie Kaserne. Truck
